

Milan - October, 1st 2003

Italian IPv6 Task Force Kick-off Meeting

Italian IPv6 Task Force

Leonardo FERRACCI

The story so far...

- European IPv6 Task Force (2001)
- European Commission (February 2002)
 - *“Next Generation Internet - priorities for action in migrating to the new Internet protocol IPv6”*
- Barcelona European Council (March 2002)
 - [The European Council] “attaches priority to the widespread availability and use of broadband networks throughout the Union by 2005 and the development of Internet protocol IPv6”
- eEurope2005 Action Plan (May 2002)
- European IPv6 Task Force – Second Phase (2002 -)
 - National IPv6 Task Forces

IT IPv6 TF - Objectives

- **Raise awareness about IPv6**
 - Italian IPv6 TF website
 - Whitepapers, reports
 - Meetings, conferences, workshops
- **Promote IPv6 adoption**
 - **Recommendations**
 - **Government: mandate IPv6 support in procurements**
 - **Lobbying in standard bodies**
 - **IMS & IPv6 in 3GPP**

IT IPv6 TF - Objectives [2]

- **Promote IPv6 adoption [*continued*]**
 - **Setup of testbeds and trials**
 - IPv6 multicast
 - Native IPv6 interconnection through national IX's
 - IPv6-enabled DNS server for `.it`
 - Roaming in mobile packet networks (GPRS/UMTS)
- **Produce final report**
 - **Italian IPv6 Task Force Report (+ WG reports)**
 - Recommendations targeted to decision-makers
 - Accessible, non-technical language
 - Social & business implications
 - Achievements

IT IPv6 TF - Duration

- **One year**
- **Deadline for final documents: September 2004**
 - **In time for SMAU 2004...**
- **Possible mandate renewal**
 - **New topics**
 - **New activities**

IT IPv6 TF - Operation

- **Meetings (3-4)**
 - **Next: January 2004 (TBD)**
 - **Possible *interim* meetings**
 - **Single Working Group**
 - **Single task/activity**
 - **During each meeting:**
 - **Presentation of IPv6 operational experiences**
 - **Discussion about progress in the TF activities**
- **Work mostly through mailing lists**

IT IPv6 TF - Members

- **Participants**
 - **Government**
 - **Telco's & ISP's**
 - **Manufacturers**
 - **Universities & research**
- **Open membership**

IT IPv6 TF - Working groups

- **Inspired by the European TF**
 - **Applications**
 - **Infrastructure**
 - **Mobile and Wireless**
 - **Trials**
- **A chair for each WG**
- **Any IT IPv6 TF member can join any WG**
 - **... if it is willing to participate actively!**
- **Final report from each WG – Aspects:**
 - **Technical**
 - **Social**
 - **Economical**

Thank you!!!
